Additional Services

Dais Athletic & Cultural Centre

Dais Athletic Centre began operating in 2000, followed by Dais Cultural Centre in 2001.

These Centres offer their services to both students and parents.

Moving from traditional learning to flexible learning environments

Doukas School is one of the first educational institutions in Greece that has integrated Informatics in Education.

2007

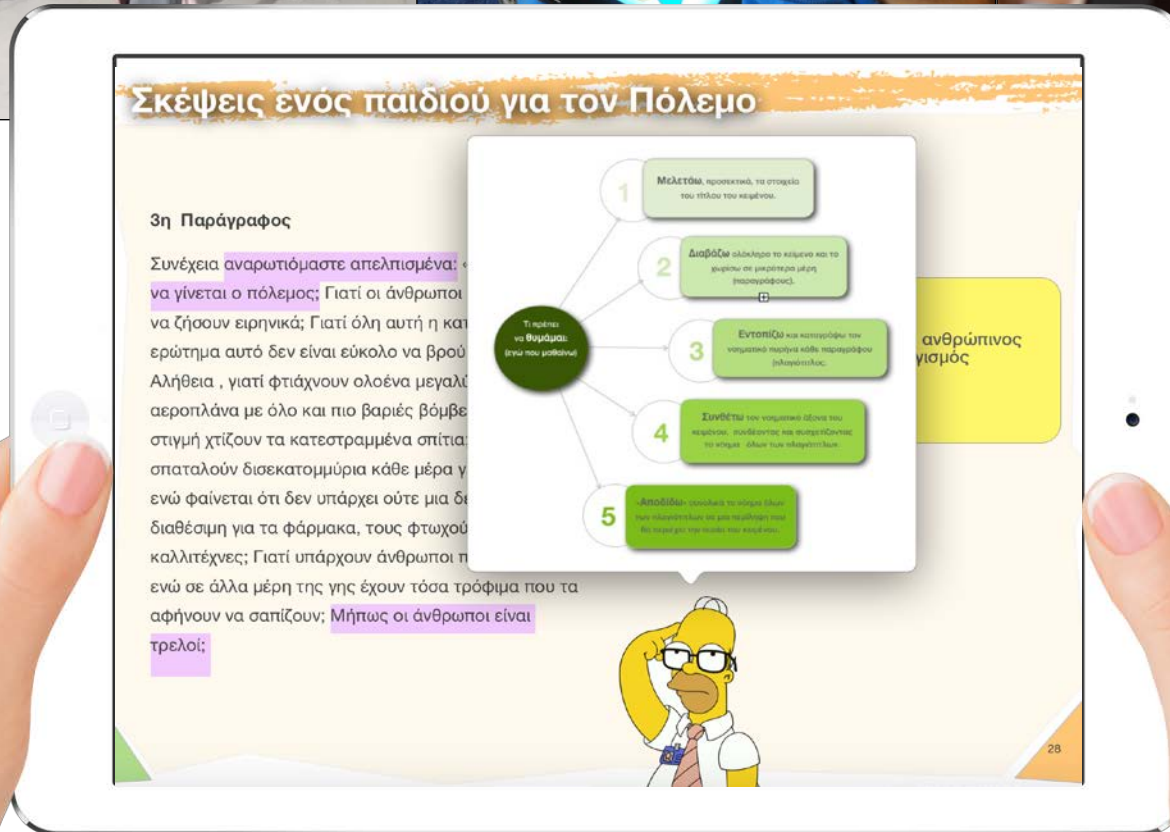

New Technologies are used as an important educational tool in our curriculum.

1983

1:1 Computing

A big change in the past 10+ years was the introduction of 1:1 computing.

This approach continues to this day...

Our Goal

Aiming to equip students with the skills of the 21st century and assist them in becoming World Citizens

Teaching models include enhancement techniques, co-relations and measurable results in order for the student to have an active role in building knowledge through interaction with the educational environment..

Doukas School in numbers:

- 1600+ students

- 180 educators

- 1200 student tablets

- 5 technicians

- 200+ administrative and other staff
