

INVITATION

The Center of Excellence CERIDES of European University Cyprus cordially invites you to the upcoming Online Seminar titled:

STEAM Education: Using Role-Models and Digital Games to Promote Gender Equality

Tuesday 29 November 2022

16:00-18:30 Cyprus Time (UTC+3)

Participate at: [Webinar link](#)

The Seminar is organized by the Erasmus+ Project *FemSTEAM Mysteries: A Role-Model Game-Based Approach to Gender Equality in STEAM* (<http://femsteam-project.eu/>). Through an innovative approach that integrates STEM and Arts, and combines Role-Model and Game-based methodology with a mystery story-telling digital game (escape room) that engages teenagers (age 12-15), *FemSTEAM Mysteries* aims to create a new culture and attitude amongst teachers and students.

During the Seminar, the key Project Outputs will be presented. The seminar **will also include an invited talk by Dr. Gregory Makrides**, Professor of STEAME Education at the Pedagogical University of Krakow, and President of the European Association of ERASMUS Coordinators.

Seminar Topics (for more details, see [Seminar Program](#))

- Invited Talk: *STEAME School & Learning of the future*
- Project Overview
- The FemSTEAM Mysteries Game
- The FemSTEAM Mysteries teacher professional development program
- FemSTEAM in Practice: The Experience of Partner Schools in Spain, Greece, and Cyprus

May be of Interest

- The Seminar can be attended by primary and secondary teachers, academics, researchers, students and, more generally, anyone interested in the seminar theme.
- Participation is free.
- **Certificates of Attendance** will be awarded.
