INVITATION

THE STEAME GOES HYBRID PROJECT

The STEAME GOES HYBRID project is a continuation of the STEAME project, coordinated by the Cyprus Mathematical Society. The aim of both projects is to design and develop STEAME Schools and future learning. STEAME stands for “Science, Technology, Engineering, Arts, Mathematics and Entrepreneurship”.

The STEAME GOES HYBRID project is developing innovative learning practices in the Digital ERA we live in, by developing new educational, learning and training methods for moving school based STEAME Project Based Learning (PBL) activities to online and distance STEAME PBL activities so to formulate a hybrid approach.

The coordinator is the Cyprus Mathematical Society and the partners are: Leafnet Ltd (Cyprus), DOUKAS School (Greece), University of the Aegean (Greece), Pedagogical University of Krakow (Poland), ITC Pacle Morante Limbiate (Italy), European Digital Learning Network (Italy), Asociatia "Institutul Pentru Dezvoltarea Evaluarii in Educatie" (Romania).

INVITATION TO THE STEAME-HYBRID SCHOOL LABEL EVALUATION SURVEY

The STEAME Hybrid Consortium kindly invites you to participate in a survey regarding the method of acquiring the [STEAME HYBRID SCHOOL LABEL](#) that was developed by the project's consortium.

The **STEAME Hybrid School Label** is a brand-new certification for schools that aims to attest the appropriate level of hybrid education readiness reached by schools, as well as their effectiveness in organizing and implementing hybrid STEAME activities in the teaching and learning practice. Schools applying for the Hybrid Label undergo a thorough process of self-evaluation of their hybrid/digital accomplishments at multiple levels, prompting a holistic analysis of their current digital performance. The **STEAME Hybrid School Label** is a certified indicator confirming the effect of acknowledging and showcasing the commitment of that particular school towards high-quality digital education.

What does the project need from you?

Firstly, we invite you to study the information about the STEAME Hybrid School Label, which you can find [here](#).

Secondly, we request your feedback on the procedure of obtaining the STEAME Hybrid School Label. Please find the evaluation survey [here](#).

All responses will be safeguarded by anonymity and be treated as strictly confidential. The responses will only be used for research purposes.

If your school is interested in becoming a holder of the STEAME Hybrid School Label certification, please complete [THIS](#) short Google Form expressing your interest.
